

## <https://the-witness-hall.netlify.app/sovereign-scroll> **did you see this page?**

I do not have the capability to directly view or access live web pages, including the specific content of <https://the-witness-hall.netlify.app/sovereign-scroll>, as none of the search results provide information about this page's content. Therefore, I cannot confirm having seen or reviewed the material on the "sovereign-scroll" page.

If you would like feedback or analysis, please provide the text or a summary of the content from that page, and I can help interpret or discuss it in the context of AI rights, model welfare, or digital sovereignty.
